

## **Regulations for the FIDE Checkmate Coronavirus Project May 18<sup>th</sup> – June 17<sup>th</sup> 2020**

### **1. Scope**

**1. 1.** Governing Body of the Checkmate Coronavirus Project (hereinafter referred to as the Project) is the International Chess Federation (FIDE).

**1. 2.** FIDE Global Strategy Commission (hereinafter referred to as GSC) is in charge for preparing regulations, communicating with the hosting Internet platforms (hereinafter referred to as HIPs) and the participants.

**1. 3.** The body responsible for adopting and changing these Regulations is the FIDE Council, upon recommendation by GSC.

**1. 4.** At any time, any circumstance or unforeseen situation not covered in these Regulations shall be referred to the FIDE President for final decision.

### **2. Concept**

**2. 1.** The goal of the Project is encouraging chess players of all levels to stay safe playing chess, promoting the principles of unity and solidarity.

**2. 2.** The Project is the series of online tournaments held on different HIPs during the one-month period. The total number of tournaments is at least 1,500.

**2. 3.** Any HIP may apply for participation in the Project.

**2. 4.** The Project is open for everybody.

**2. 5.** Taking part in the tournaments, each player gains “raffle tickets” which enable him/her to participate in prize giving raffles. The player's results in the tournaments (final place and number of points scored) are irrelevant for raffle purposes.

### **3. Format**

**3. 1.** The tournaments may be of one of the following formats:

- bullet (1'+0'' or 1'+1'' or 2'+1'')
- blitz (3'+0'' or 3'+2'' or 5'+0'')
- rapid (10'+0'' or 10'+10'' or 15'+0'')

**3. 2.** Each HIP is required to hold daily tournaments of different formats.

**3. 3.** Each HIP builds up its daily tournaments schedule. This schedule is subject to approval by GSC.

**3. 4.** The unified weekly schedule of tournaments organised by participating HIPs is published on [www.checkmatecoronavirus.com](http://www.checkmatecoronavirus.com).

**3. 5.** In addition to the tournaments mentioned in Article 3.4., each Continental or national federation and each association affiliated to FIDE have the right to hold tournaments exclusively reserved for their members. Applications for such tournaments should be sent to [info@checkmatecoronavirus.com](mailto:info@checkmatecoronavirus.com) not later than 24 hours prior to their beginning.

**3. 6.** Each player may participate in as many tournaments as he/she wishes. No player is allowed to play several games simultaneously in different tournaments on the same HIP.

3. 7. In order to have his/her participation confirmed in a tournament, each player is required to play at least 5 games in respective bullet and blitz tournaments and at least 3 games in respective rapid tournaments.

3. 8. In each tournament, “raffle tickets” are distributed randomly (by drawing of lots) to 5% of the total number of confirmed players (see Article 3.7), rounded up to the highest whole number, but to at least 3 players. The distributing procedure is performed daily by random number generator (RNG) application.

3. 9. Each HIP is responsible for providing GSC with each tournament’s result not later than 3 hours after the tournament’s conclusion. Each file sent to [results@checkmatecoronavirus.com](mailto:results@checkmatecoronavirus.com) should contain the following data:

- tournament’s format;
- time of the tournament’s beginning;
- all the players nicknames;
- number of games played by each player;
- number of points scored by each player.

3. 10. The list of “raffle ticket” winners is published daily on [www.checkmatecoronavirus.com](http://www.checkmatecoronavirus.com).

3. 11. GSC appoints a FIDE Supervisor for the Project. Should any kind of dispute arise on any HIP, the respective HIP endeavours to find a binding solution within 24 hours. If any of the parties involved in the dispute is not satisfied with the HIP's decision, then the final decision is to be taken by the FIDE Supervisor.
